**Talk Title: “Gardening From a SE Wisconsin Point of View- Take Time to Smell the Roses.”**

## **Talk Description & Bio**

**TALK:** Jeff’s presentation will highlight the key elements in garden design whether for containers, water features, or for garden beds. Come and enjoy, while getting some wonderful ideas as you contemplate your garden plans for this year and beyond

**BIO:** Jeff is a Master Gardener Volunteer who designed his gardens to encourage the viewer to sit, relax and enjoy! Jeff’s gardens delight from early spring throughout the fall. Perennials abound with a touch of annual for added color throughout the seasons. Waterfalls and a lily pond add to the enjoyment of the gardens. Whimsical, French, Japanese and Chihuly-like themes are incorporated into the various gardens.
