Master Gardeners**

Presents:

Spring Zoom Trainings

Spring 2023 Free Zoom Trainings: All trainings begin at 6:30 PM and end at 7:30 PM, with time available after the presentations for Questions.

January 19, 2023

Pruning Techniques

Ben Cooper, General Manager of Rainbow Tree Care, based in Minnetonka, Minnesota, will explain pruning techniques. He will talk about the proper pruning procedures and times of the year to properly prune trees and shrubs, why pruning is essential for growth and the tools to use. He will explain techniques and where to prune using diagrams of proper pruning methods. The presentation will also address harmful pruning procedures to avoid.

February 16, 2023

Orchids

Terri Jozuriak will present "Don't Fear the Orchid Plant." Terri is the chairperson of Orchid Quest which will be held at Olbrich Gardens in Madison, February 4-5, 2023. Her presentation will cover topics about basic orchid types, potting media, fertilizer, and watering. Also included in the presentation will be how to successfully repot an orchid plant. She will have examples of how to successfully grow orchid plants.

March 16, 2023

Garden Ergonomics

Corey Weydert, Physical Therapist, will present "Garden Ergonomics: Preparing your Body for the Gardening Season!" A recommendation of a mix of movements to warm up before gardening activities.
